WAR FOOD ADMINISTRATION
FOOD DISTRIBUTION ADMINISTRATION
WASHINGTON, 25, D.C.

AMENDMENT NO. 1, TO MINIMUM TENTATIVE
REQUIREMENTS FOR OPERATING PROCEDURES
IN EGG DRYING PLANTS.

The 1944 Minimum Tentative Requirements for Facilities,
Operating Procedures, and Sanitation in Egg Breaking and
Egg Drying Plants, released December 17, 1943, is hereby
amended to provide the following revision on Page 12,
paragraph K (incorrectly marked E) sub paragraph III,
last sentence:

"Sweep-down powder may be blended only
in accordance with a method approved by
an authorized representative of F.D.A.
when powder is to be delivered to a
Governmental agency."
